Description

For sale is a 3-room apartment, type D.

The apartment and the multi-family building are situated on a plot of land that has been under leasehold (Erbbaurecht) since 1972. The leasehold has a term of 99 years and expires in 2071. The entire ground rent has already been paid in full, meaning the new owner will incur no costs as a result.

The apartment has been permanently let since 01.06.2023.

Basic rent: EUR 550.00 per month

Operating costs: EUR 300.00 per month

Total rent (incl. utilities): EUR 850.00 per month

Service charges: EUR 414.00 per month

The apartment represents a solid source of income. For investors, this offers the opportunity for stable returns, while the unrenovated property holds potential for future value appreciation.

This multi-family building represents an attractive opportunity for investors seeking a stable return through long-term rental income. The leasehold offers long-term use of the land until 2071, which should be taken into account when determining the price.
